Company Profile

CLEANWAY Ltd., is a Greek company which produces detergent and cosmetics, in consuming and industrial packaging.

CLEANWAY was established in 1987, starting with the production of detergents, with target to offer the market a wide range of detergent products of high quality and of lower price than those of multinational companies.

The company aims to meet the high expectations of its customers, offering high quality products at the lowest possible price. The company guarantees quality products by applying to the production process international quality standards: ISO 9001, and for cosmetics ISO 22716.

The quality of CLEANWAY detergents has been verified by the big Greek retailers (Carrefour Marinopoulos , AB Vassilopoulos (Delhaize Group) , Makro C & C, OK - Market, Market-in, Jumbo and others) , which have entrusted the production of a wide range of PRIVATE LABEL products for a long time.

cleanway

Apart from producing PRIVATE LABEL products, the company produces its own brand detergents. " named "QUESTO as well as an alternative economical series with the brand name "SOLERO". Moreover, the company has developed and manufactures ecological detergent and cosmetic products with brand name "Green Life", certified with the European "Eco Label". Five years ago, the company developed and produces a full range of cosmetic products with the brand name "Tango".

The company's facilities are situated within its own grounds of 8 acres, 55 km from the center of Athens, in the industrial area of Inofyta. The plant operates in a pleasant and rewarding environment for its employees, which at the same time it responds to the environmental and social requirements of the era.
